

**HARDIN COUNTY DRAINAGE DISTRICT
BEAVER CONTROL POLICY**

Trapping:

When beaver dams are reported or discovered in a drainage district and where the Board of Trustees deem it an obstruction to the district, a trapper will be retained by the Board of Trustees to remove the beaver.

In order to be compensated, trappers will be responsible for providing the number of beaver trapped along with their tails to the County Engineer. It is the trapper's responsibility to comply with any applicable regulations as set by the Iowa DNR. The rate of payment is set at \$100.00 per beaver.

Beaver Dams:

After verification from the trapper that all beaver have been removed, a contractor will be hired to remove the beaver dam(s). Said contractor will meet all requirements as stated in the Repair Procedures Regarding Contractors Policy.

Adopted this 15th day of March, 2017.
