Date	Time	Description of Activity
5/21/18	11:45 AM	Brent is concerned regarding if there are any other private laterals that did not get hooked up and not knowing until it's too late.
		He stated the waterway did not get scooped and packed well and they cannot even drive across it at all. They are hiring Scott Thompson to seed it, but a contractor will need hired to sculpt it before seeding can be done. They request Gehrke to do this.
