4. Discuss, With Possible Action, Utility Permits With Radcliffe Telephone Co
Much discussion was had regarding the outstanding utility permit with Radcliffe Telephone Company. Drake explained that a portion of the project plans submitted were a part of a previously submitted utility permit with secondary roads before the drainage utility permit application process began. It was clarified that the solid lines on the plans were already installed and the dashed lines were proposed installation for this permit. It was stated that the fiber optic line would be installed at 30"-32" and it appears the tile (from intakes) is approximately 8 feet deep. Radcliffe Telephone would more than likely be asking for a variance to bury their cable above the tile. Drake, Olsen, Wikert and Nelson agreed to work with CGA on compliance moving forward. Schlemme is to send all GPS points from previous Buckeye drainage projects to Drake to assist in locating the tile. Drake agreed he would try to submit suggestions to modify the existing permit for better clarification. Granzow moved, McClellan seconded to suspend the cease and desist order for Radcliffe Telephone Company for them to work with CGA on installation. All ayes. Motion carried.
5. DD 52 - Approve Legal Petition To Be Filed With Piel Manufacturing

Schlemme added that Drainage Attorney, Mike Richards, had updated that the railroad is working with him and they should have an agreement to proceed with the project by next week.

9. Other Business
DD H-H 3-110 - Schlemme stated the Randy Silvest had stopped in and was upset with a letter he received from Hamilton County. He would like drainage facilities installed to his property line rather than needing to install 1/2 mile of tile through a neighbor's land to obtain an outlet. This tile would be located in Hamilton County. The Trustees agreed for Schlemme to send a letter to Silvest stating the procedures on how to petition for an improvement and cc: Hamilton County on it.
10. Adjourn Meeting
Granzow moved, McClellan seconded to adjourn the meeting. All ayes. Motion carried.
