You can go ahead and do the work. If they do it soon the corn might be short enough but we don't want any crop destruction.

Thanks

Good morning,

Thank you for taking the time to call this morning and discuss the letter that was sent out. Attached are maps to hopefully help with what field the Trustees are talking about. If not, you can go to <https://beacon.schneidercorp.com/?site=HardinCountyIA> and search for parcel number 892007100004 and get a better understanding of where this field is.

Please let me know if you have any questions or concerns!

Becca
