Iowa Code Section
Iowa Code Section 331.304(9) and Section 727.2, allow fireworks permits but (1) only upon an application made in writing; (2) only to municipalities, fair associations, amusement parks, and other organizations or groups of individuals approved by the County Board of Supervisors; (3) and only when the fireworks display will be handled by a competent operator.

These two statutes do not allow a County Board of Supervisors to issue a permit to an individual person.

If your area is under burn ban on the planned date of your fireworks display, this permit is void.
