AMENDMENT TO RESOLUTION NO. 2020-15

All Hardin County employees when not at their respective workstation shall always wear face coverings (defined by the Hardin County Board of Health as "a material that securely covers a person's nose and mouth and remains affixed in place without the use of one's hands, whether purchased or homemade, and consistent with CDC guidelines"). If an employee is not medically able to wear face covering such as a mask, then a face shield that meets CDC guidelines may be worn. It will be the employee's burden to demonstrate a medical inability to wear a face covering such as a mask. All employees will limit contact with multiple people in a workspace. This includes regular workstations, break rooms and other collective spaces.

The county building entry policy adopted on August 12, 2020, as amended, is incorporated herein by the reference.

Face coverings are required of visitors to all county owned buildings in addition to any other policies in effect.

Employees are encouraged to wear facial covering outside of work environment while in public.

Employees experiencing any symptoms described in Resolution No. 2020-15 shall report it immediately. Employees shall call their supervisor to report these conditions. The Supervisor/Department Head shall relay this information to the County Auditor's Office immediately.
