RE: Completed FY 2021 Cost Allocation Plan

Dear Board Members:

We have completed the **Hardin County** cost allocation plan based on actual expenditures for the year ended June 30, 2021 and an electronic copy is included. Also included is a standard federal Certification Statement that is required where reimbursement is claimed from federal grant programs. The statement says that to the best of the County's knowledge, the cost allocation plan is correct and was prepared in accordance with the federal cost principles contained in 2 CFR, Part 200. Please have the Board Chairperson sign the statement, retain a copy on file and return the original to me. A copy of the plan will also be placed on file at the central office of the Iowa Department of Human Services (DHS).

The FY 2021 cost allocation plan will result in the following indirect cost recoveries during **FY 2023.**

DHS Local Administrative Expenses

This category relates to the indirect costs that the county incurs for the local DHS office. These indirect costs include expense items such as audit fees, liability and property insurance, un-billed building space costs, accounting services and legal services. The total indirect costs to be claimed on quarterly Local Administrative Expense (LAE) reports for FY 2023 is \$66,190. This amount includes the required carry-forward adjustment to reconcile actual and projected costs for FY 2021 and is shown on Exhibit B near the beginning of the cost allocation plan. Your actual reimbursement will be the FFP rate in effect for each quarter. We estimate that about 33 percent of the total claims for the year will be reimbursed to the County from federal funds. Accordingly, the total reimbursement for the year should be about \$21,843. We will track these payments each quarter and report the actual results to you after the close of the year. A copy of our correspondence to the local office of DHS which provides guidance for claiming these costs on the LAE reports is also enclosed herein for your reference.

The Board of Supervisors October 22, 2021 Page -2-

Please contact me if you have any questions relating to the cost allocation plan. We are pleased for the confidence that you have placed in us and look forward to being of continuing service to you.

Sincerely, **Cost Advisory Services, Inc.**

CERTIFICATION OF COST ALLOCATION PLAN

This is to certify that to the best of my knowledge and belief regarding the cost allocation plan submitted herewith:

- (1) All costs included in this proposal based on the Fiscal Year ended June 30, 2021, to establish cost allocations or billings for use in FY 2023, are allowable in accordance with the requirements of 2 CFR, Part 200, et al. "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.
- (2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct to the best of my knowledge.

COST ADVISORY SERVICES, INC. HARDIN COUNTY, IOWA – FY 2021 STATEMENT OF FUNCTION & BENEFIT

GENERAL SERVICES – BUILDING OPERATIONS

Building operations expenses, including custodial and maintenance salaries and wages, utilities, and other expenses required to maintain and operate County facilities, are budgeted and charged to the County's General Basic Fund. Federal and state programs, and other outside occupants of the facilities, may benefit either directly from these costs or indirectly from allocations to those central service activities that in turn benefit those outside users of County resources.

COST ADVISORY SERVICES, INC. HARDIN COUNTY, IOWA – FY 2021 STATEMENT OF FUNCTION & BENEFIT

COUNTY ATTORNEY

The County Attorney is the chief legal officer of the County and serves as legal adviser to all County Departments. Certain costs of the Attorney's Office are eligible for reimbursement to the County from Federal programs. Specifically, the costs related to effort expended by the Office in providing civil services to Children in Need of Assistance cases are allowable for partial reimbursement.

Allowable costs of ChINA cases have been determined based on an analysis of professional staff effort expended. The resultant costs were then allocated as follows:

Item	Description	Allocation Basis
Social Services	Costs of providing eligible services to Children in Need of Assistance cases.	Direct Allocation to Social Services

All other costs of the County Attorney's Office, including all costs of prosecutorial duties and costs related to juvenile delinquency actions, have been excluded from allocation in this cost allocation plan.

Patty Hill County DHS Office 2300 Superior St., Ste. #1 Webster City, Iowa 50595

RE: County LAE Reports - FY 2023

Dear Patty:

We have completed the **Hardin County** Cost Allocation Plan based on actual costs for the year ended June 30, 2021. The cost allocation plan is prepared in accordance with the federal cost principles contained in 2 CFR, Part 200. The results of this plan (shown on the enclosed Exhibit B) will be used in **FY 2023** to claim indirect costs that the County incurred for Social Services administration. Copies of the plan are now being provided to the Board of Supervisors and the County Auditor. The plan will also be placed on file at the central office of DHS prior to September 30, 2022.

For the four quarters beginning with the quarter ending September 30, 2022, please include a line item on the County's Local Administrative Expense reports to claim one-fourth of the annual indirect cost amount, or **\$16,547.50 per quarter**. If you wish, a copy of this letter can be attached to the report in support of this claim. We also ask that you provide us with a copy of all future LAE reports as they are submitted. An unsigned copy will suffice and can be sent as an e-mail attachment to the address shown below. We would also like to be notified of any changes that may occur in the staff that have responsibility for these reports.

Please contact me anytime you have a question regarding indirect costs or if we can otherwise be of assistance to you.

Sincerely, Cost Advisory Services, Inc.

er Stile
