# JOINT PUBLIC SERVICE AGREEMENT PROVIDING FOR THE DIVISION OF FEES FOR ENGINEERING AND CONSTRUCTION COSTS FOR BRIDGE REPLACEMENT PROJECT BRS-5832(601)—60-42 OVER BEAVER CREEK ON COUNTY HIGHWAY D35 IN THE CITY OF OWASA, IOWA

THIS AGREEMENT is made and entered into by and between the City Council of the City of Owasa, Iowa, hereinafter referred to as the CITY, and the Board of Supervisors of Hardin County, Iowa, hereinafter referred to as the COUNTY. The parties mutually agree as follows:

WHEREAS, Hardin County under Iowa Code 314.5 may maintain any road or street which is an extension of the secondary road within a city; and

WHEREAS, under Chapter 28E, Code of Iowa, the CITY and COUNTY may, as public agencies, enter into an agreement to cooperate in such a way as to provide joint services to their constituents and to cooperate in other ways of mutual advantage; and

WHEREAS, the bridge over Beaver Creek, identified by the Federal Highway Administration (FHWA) #503775, on the extension of County Road D35 in the City of Owasa, Iowa is under the jurisdiction of the CITY; and

WHEREAS, preliminary estimated construction and engineering costs of this project are eight hundred sixty dollars (\$860,000) and are eligible to be reimbursed from the City Bridge Construction Fund through the City Bridge Construction Program as Project BRS -5832(601)—60-42; and

WHEREAS, the CITY and COUNTY, collectively referred to as the recipient, have qualified to received one hundred (100) percent reimbursement of all eligible and properly documented costs from the City Bridge Construction Fund up to a maximum of one million dollars (\$1,000,000) per agreement 1-22-HBP-010 with the lowa Department of Transportation, dated August 11, 2022; and

WHEREAS, it is deemed in the best interest of the CITY and COUNTY, and of their respective citizens and businesses that the CITY and COUNTY jointly undertake to provide for the removal and construction of a new bridge at the same location with COUNTY to provide certain necessary services related to such bridge construction.

- PURPOSE. The purpose of the Agreement is to specify administration and funding responsibilities for replacement of FHWA #503775 in the CITY, hereinafter referred to as the Project. The Project includes the roadway approaches and structure.
- 2. OWNERSHIP. Upon completion of the Project, the completed bridge will be considered to be a bridge of the CITY and CITY agrees to exercise its powers, including the power of eminent domain, in furtherance of the Project.
- 3. ADMINISTRATION. The COUNTY has been designated as the Lead agency for the Project and hereby consents to that designation. The Hardin County Engineer is the administrator of the Agreement. In addition to other duties, the Hardin County Engineer or designated representative(s) shall act as Project Engineer to accomplish engineering work for each respective party as detailed in the Agreement.
- 4. TASKS. Except as provided, the Project shall be administered as follows:
  - a. The COUNTY or approved qualified consultants shall provide for the design survey, design engineering, acquisition plats, contractual administration, resident engineering, and construction inspection; which shall be administered by the Hardin County Engineer or authorized representative(s). The Hardin County Engineer shall determine when, in his judgment, performance is complete and shall thereafter recommend to the CITY and COUNTY that the Project be finally accepted.
  - b. The COUNTY shall provide acquisitions of right-of-way as coordinated by the Project Engineer. The COUNTY shall take appropriate action to legally establish the grade lines of the street in accordance with and as shown by the project plans, and to cause damages accruing therefrom to be determined and paid pursuant to Iowa Code Section 364.15.
  - c. The COUNTY shall review and approve routine payment requests. Project design and construction costs will be paid through the COUNTY's Farm to Market Fund.
  - d. The CITY will be provided plans when they are submitted to the Iowa DOT for review at the check and final plan stages for review and comment. Comments will be considered for incorporation into the plan set based on merit and feasibility for the Project. Upon completion of the Project and prior to final acceptance by the COUNTY, the CITY will be notified and have the right to review and accept said Project.

- 5. CONSTRUCTION COSTS. Project construction costs are estimated to be around eight hundred sixty thousand dollars (\$850,000) with engineering and related items adding another ten thousand dollars (\$10,000).
- LETTING. The Project shall be let through the lowa Department of Transportation Office of Contracts. The CITY provides consent for the COUNTY to accept or reject bids.
- 7. JURISDICTIONAL COSTS. The CITY has been awarded and accepted the City Bridge Funding. These federal funds shall be administered through the County Farm to Market Fund and the CITY releases these funds to the COUNTY for construction of the bridge. The CITY and COUNTY have agreed to funding for all construction, outside engineering, right-of-way acquisition, and utility relocation costs as a zero percent (0%) CITY and one hundred percent (100%) COUNTY basis.
- 8. TIMETABLE. The Project shall commence following the effective date of this Agreement, subject to the stated terms and provisions. The COUNTY shall fix reasonable dates thereafter for the receipt of bids and construction of the Project.
- PROJECT COUNSEL. The City of Owasa Attorney and the Hardin County Attorney shall act as legal counsel for their respective parties to carry out this Agreement.
- 10. HOLD HARMLESS. Each party agrees to indemnify and to hold the other party, its elected officials, officers, agents, employees, successors, and assigns harmless for and against all claims, demands, actions, and/or causes of actions, judgments, settlements, or other costs, including reasonable attorney fees, which the other party, its successors and assigns, may incur or sustain by reason of its failure to legally or timely meet responsibilities imposed herein or by reason of the death or injury of persons or damage to property caused by the failure of such party to fully perform and comply with the terms and obligations of either this Agreement or the construction contract.
- 11.LIMITATIONS. No separate legal or administrative entity is created by this Agreement. No real or personal property will be purchased, and each party shall finance its own operations for the duties required pursuant to this Agreement. Materials that are used in construction become part of the road and bridge and shall be held as property thereby.
- 12. TERMINATION. Either party may terminate this Agreement prior to the award of a contract for the construction of the Project. Notice of termination shall be sent to the other party's principal place of doing business by registered mail and shall specify reasons for termination. The effective date of termination shall be thirty (30) days after receipt of written notice. Any project costs incurred by either party prior to the effective date of termination shall be shared equally by each party.

- 13. DURATION. After the award of the construction contract by both parties, this agreement shall be terminated only upon completion of the Project, acceptance by the Iowa Department of Transportation and FHWA along with a three (3) year audit period, and payment of construction costs as well as any costs from disputes or litigation arising therefrom.
- 14. BREACH. In the event of a breach by either party of this Agreement, said breach shall not be considered to affect any remaining terms or conditions of this Agreement. If any terms or conditions of this Agreement are held to be invalid or illegal, those remaining terms or conditions shall not be construed to be affected.

### **EXECUTION OF AGREEMENT**

The parties shall approve this Agreement by resolution of their respective Council or Board, which shall authorize the execution of the document. It will then be filed in the offices of the Iowa Secretary of State and the Hardin County Recorder's Office, in accordance with Chapter 28E of the Code of Iowa. The Agreement shall become effective when recorded and shall be effective for the duration of the Project, unless terminated as provided herein.
