HARDIN COUNTY UTILITY PERMIT APPLICATION

Permit No: UT-22-002

Underground
Aerial

Permanent Installation
Temporary Installation

This is a Utility Permit Application for telecommunications, electric, gas, water and sewer utilities. The applicant agrees to comply with the following permit requirements. Compliance shall be determined by the sole discretion of the County Engineer as deemed necessary to promote public health, safety, and general welfare. These requirements shall apply unless waived in writing by the County Engineer prior to installation.

APPLICANT NAME: Heart of Iowa Ventures LLC

STREET ADDRESS: 502 Main Street PO Box 130

CITY: Union STATE: IA ZIP: 50258

PHONE: 641-486-2211 FAX: 641-486-2205 CONTACT PERSON: Jay Duncan

TYPE OF WORK: Install Fiber optic cable and peds

1. LOCATION PLAN

An applicant shall file a completed location plan as an attachment to this Utility Permit Application. The location plan shall set forth the location of the proposed line on the secondary road system and include a description of the proposed installation.

2. WRITTEN NOTICE

At least five (5) working days prior to the proposed installation, an applicant shall file with the County Engineer a written notice stating the time, date, location, and nature of the proposed installation.

3. INSPECTION

The County Engineer may provide a full-time inspector during the installation of all lines to ensure compliance with this Utility Permit. The inspector shall have the right, during reasonable hours and after showing proper identification, to enter any installation site in the discharge of the inspector's official duties, and to make any inspection or test that is reasonably necessary to protect the public health, safety, and welfare.

4. INSPECTION FEES

The applicant shall pay actual costs directly attributable to the installation inspection conducted by the County Engineer. Within thirty (30) days after completion of the installation, the County Engineer shall submit a statement for inspection services rendered. The applicant agrees to reimburse the county within thirty (30) days of billing.

5. REQUIREMENTS

The installation inspector shall assure that the following requirements have been met:

- A. Construction signing shall comply with the Manual on Uniform Traffic Control Devices
B. Depth - (Add additional depth if ditch has silted to the thickness of the deposited silt.) The minimum depth of cover shall be as follows:
Telecommunications.... 36" Electric.....48"
Gas.....48" Water.....60"
Sewer..... 60"
C. Minimum roadway overhead clearance for utility lines shall be 20 feet.
D. The applicant shall use reference markers in the right-of-way (ROW) boundary to locate line and changes in alignment as required by the County Engineer. A permanent warning tape shall be placed one (1) foot above all underground utility lines.
E. All tile line locations shall be marked with references located in the ROW line.
F. No underground utility lines shall cross over a crossroad drainage structure without approval from the County Engineer.
G. Residents along the utility route shall have uninterrupted access to the public roads. An all weather access shall be maintained for residents adjacent to the project.
H. After construction, granular surfacing shall be added to the road by the applicant to restore the road to its original condition. After surfacing has been applied, the road surface shall be reviewed by the County Engineer once the road has been saturated, to determine if additional surfacing on the roadway by the applicant is necessary.
I. All damaged areas within the ROW shall be repaired and restored to at least their former condition by the applicant or the cost of any repair work caused to be performed by the county will be assessed against the applicant.
J. Areas disturbed during construction which present an erosion problem shall be solved by the applicant in a manner approved by the County Engineer.
K. All trenches, excavations, and utilities that are knifed shall be properly tamped.
L. All utilities shall be located between the bottom of the backslope and the bottom of the foreslope, unless otherwise approved in writing by the County Engineer prior to installation.
M. Road crossing shall be bored. The depth below the road surface shall match the minimum depth of cover for the respective utility.

6. NON-CONFORMING WORK

The County Engineer may halt the installation at any time if the applicant's work does not meet the requirements set forth in this Utility Permit Application.

7. COUNTY INFRACTION

Violation of this permit is a county infraction under Iowa Code Section 331.307, punishable by a civil penalty of \$100 for each violation. Each day that a violation occurs or is permitted to exist by the applicant constitutes a separate offense.

8. HOLD HARMLESS

The utility company shall save this county harmless of any damages resulting from the applicant's operations. A copy of a certificate of insurance naming this county as an additional insured for the permit work shall be filed in the County Engineer's Office prior to installation. The minimum limits of liability under the insurance policy shall be \$1,000,000.

9. PERMIT REQUIRED

No applicant shall install any lines unless such applicant has obtained a Utility Permit from the County Engineer and has agreed in writing that said installation will comply with all ordinances and requirements of the county for such work. Applicants agree to hold the county free from liability for all damage to applicant's property which occurs proximately as a result of the applicant's failure to comply with said ordinances or requirements.

10. RELOCATION

The applicant shall, at any time subsequent to installation of utility lines, at the applicant's own expense, relocate or remove such lines as may become necessary to conform to new grades, alignment or widening of ROW resulting from maintenance or construction operations for highway improvements.

Resolution 2022 - _____ Bridge Weight Limit Postings

WHEREAS, in accordance with the requirement of the Federal Government, certain bridges located on the Secondary Road System must be posted with load limit signs; and

WHEREAS, a bridge inspection program covering all Secondary Highway bridges in Hardin County, is being completed biennially; and

WHEREAS, a number of such bridges have been found to require load limit posting as determined by criteria established by the Federal Government.

NOW THEREFORE, BE IT RESOLVED by the Hardin County Board of Supervisors on this 23rd day of March, 2022 as provided in Sections 321.471, 321.472, and 321.473, Code of Iowa, to erect and/or maintain weight limit signs in advance of the following bridges located on the Federal Aid, Farm to Market, and Local Secondary Road System. The County Engineer is instructed to place or cause to be placed, all necessary signs to comply with this resolution. Only those bridges determined to have a weight restriction below LEGAL, in the listing included herein, will be required to have signs erected.

BE IT FURTHER RESOLVED: Due to changes in the status of the bridges on the Secondary Roads in Hardin County brought about by repair, replacement, or re-inspection, all previous resolutions regarding the posting of these bridges in Hardin County is hereby superseded.

Hardin-Grundy County

Veterans Affairs Administrator Agreement

This Contract and Agreement pursuant to Iowa Code Section 28E, is made and entered into this _____ day of _____, 2022, by and between Grundy County, Iowa (hereinafter referred to as Grundy) and Hardin County, Iowa (hereinafter referred to as Hardin). This agreement shall be known as the Hardin-Grundy County Veterans Affairs Administrator Agreement (hereinafter referred to as The Agreement) and each county shall adopt resolutions of this agreement. The Veterans Affairs Administrator and Veterans Service Officer shall be referred to collectively as The Administrator. This agreement does not contemplate and shall not be construed to limit or expand the powers of the participating counties, except as expressly stated in the agreement.

The purpose of said agreement is to establish a working mechanism between the two participating counties so that the agencies may jointly utilize the services of the Grundy County Veterans Affairs Administrator or Veterans Service Officer. Pursuant to said purpose it is agreed as follows:

- Hardin County's Veterans Affairs Administrator is on indefinite leave, and Hardin County shall contract with Grundy County for a period beginning January 1, 2022.
- The Administrator shall have full control of performing the duties of the Administrator in compliance with requirements including those of the Iowa and U.S. Department of Veteran Affairs in Hardin County, Iowa.
- Both Grundy and Hardin Counties desire and need the services of an Administrator to serve in these capacities in accordance with each county's code of ordinances and the laws of Iowa and U.S. Department of Veteran Affairs.
- The Administrator shall devote his or her time and talents to the interests of both Grundy and Hardin counties.
- Hardin County shall carry workmen's compensation on the Administrator for injuries sustained while carrying out duties specific to Hardin County.
- Hardin County shall pay Grundy County \$21.65/hr. and mileage reimbursement at the current Hardin County mileage rate for the duties of the Administrator.
- Hardin County shall timely notify Grundy County when the absent Hardin County Administrator has resumed duties or when Hardin County has hired personnel to start and perform the duties of Administrator.
- This agreement may be amended or revised at any time only by written approval of all parties involved.
- This agreement shall supersede all provisions of previous agreements and any such agreements presently existing shall become null and void.

- This agreement shall expire on December 31, 2022, unless extended or otherwise amended in writing by all parties involved.
- Either County may terminate this agreement for any reason by submitting to the County Auditor of each County written notice 30 days prior to termination.

The Administrator shall be in charge of the Veterans Affairs of each county. If permitted by law and regulation, the Administrator may delegate duties to employees of the respective counties in consultation with the respective Board of Supervisors. The Administrator shall be indemnified and saved harmless by the respective county for any and all actions taken against said county, its Board of Supervisors or the Administrator, due to actions performed by the Administrator during the course of official duties for either county. Each county shall defend all such actions arising from that county and pay all judgements rendered in regards to the actions of the Administrator in that county. Each county shall acquire insurance as deemed necessary to accomplish the same.

HARDIN COUNTY STATEMENT OF SAFETY POLICY

Hardin County is dedicated to protecting all employees from work-related injuries by fostering a "Culture of Safety" throughout our county. It can be achieved and effective only through a mutual commitment of all employees, supervisors, and management. The Hardin County Board of Supervisors expects that everyone works toward achieving a common goal of zero accidents by taking individual responsibility for making safety an integral part of their day-to-day business decisions and work habits.

Hardin County Board of Supervisors will work towards this goal by establishing a Hardin County Safety Committee. The Committee aims to build this "Culture of Safety" by implementing training programs and accident investigations through Root Cause Analysis. The Committee will meet quarterly to review and make recommendations to the Board for actions to improve the "Culture of Safety."

HARDIN COUNTY SAFETY COMMITTEE

The Safety Committee will consist of representation from the following departments.

- Secondary Roads Representative -Engineer/ Engineer Asst.
- EMA (Emergency Management) –Director
- Auditor –Accounts Payable / Claims Clerk, Safety Coordinator
- Sheriff –Sheriff/ -Chief Deputy
- Conservation –Director
- IT – Network Engineer
- *Carey Calloway-Morton

The Safety Committee will be on a 2-year fiscal rotation basis, with representation from the following departments.

- Assessor
- Attorney
- Courthouse Maintenance
- Recorder
- Treasurer
- Economic Development
- Environmental Health

*The Safety Committee may expand or condense as needed

*All discussion pertaining to individuals' accidents or claims will be confidential

A review of incident and corrective actions will be presented to the Board of Supervisors quarterly. This may be written and if requested, will be presented at a regular meeting of the Board of Supervisors. Hardin County will use recommendation(s) for safety and injury program, as outlined by Heartland Insurance Risk Pool Safety Manual. Committee will establish priorities from past injury near miss reports.
