Meeting called to order by Chair McDaniel @ 06:20 following the 911 Service Board meeting.

Motion to approve agenda, Hoffman, Kuhfus second, carried.

Motion to approve Minutes of May 16, 2017, Hoffman, Kuhfus second, carried.

Motion by Hoffman to approve and adopt the Hardin County Emergency Operations Plan revision 2017 as presented, Kuhfus second, carried. Roxane to submit approve plan to Iowa HLSEM.

Coordinator Warnell gave an update to the Commission on the progress of the Multi-Jurisdictional Hazard Mitigation Plan Update project. She also updated the members on the cancellation of the August exercise due to the Funeral of Marine Cody Haley held at the same time and the involvement of community and responders, cancellation was the respectful and appropriate thing to do. Will work with the sponsor business and reschedule the Exercise.

Discussion on Commission members coverage of Errors and Omissions insurance through their respectful jurisdictions. Roxane was contacted by the Counties Insurance Pool Administrator whom stated that the Commission members who are not currently employed by the county are not covered under the Heartland Risk Insurance Pool. Board request Roxane to send letter to each jurisdiction asking to send proof of E & O Insurance if carried so the board can determine if a separate policy is needed.

Roxane also announced there are 4 fire departments who have not picked up their Decontamination Overpack drums and booms from the trailer at the EOC. The departments are Iowa Falls, Buckeye, Radcliffe and Hubbard.

Chair called for other business, none presented Kuhfus Motion to adjourn.

Respectfully Submitted,

Roxane Warnell, Coordinator
