WHEREAS, Iowa Code section 459.304(3) sets out the procedure if a board of supervisors wishes to adopt or re-adopt a "construction evaluation resolution" relating to the construction of a confinement feeding operation structure; and

WHEREAS, only counties that have adopted or re-adopted a construction evaluation resolution can submit to the Department of Natural Resources (DNR) an adopted recommendation to

approve or disapprove a construction permit application regarding a proposed confinement feeding operation structure; and

WHEREAS, only counties that have adopted or re-adopted a construction evaluation resolution and submitted an adopted recommendation may contest the DNR's decision regarding a specific application; and

WHEREAS, by adopting or re-adopting a construction evaluation resolution the board of supervisors agrees to evaluate every construction permit application for a proposed confinement feeding operation structure received by the board of supervisors between February 1, 2021 and January 31, 2022 and submit an adopted recommendation regarding that application to the DNR; and

WHEREAS, the board of supervisors must conduct an evaluation of every construction permit application using the master matrix created in Iowa Code section 459.305, but the board's recommendation to the DNR may be based on the final score on the master matrix or may be based on reasons other than the final score on the master matrix as provided by law;

The meeting was held to follow up on Ellsworth Neighborhood Investment Group’s (ENIG’s) request to attain tax relief on a building destroyed in 2016.

County Attorney Darrell Meyer argued that ENIG did not obtain a demolition permit from the City, which would have triggered the City to inform the County, and that it is disputed whether anyone in the Assessor’s Office was notified of the demolition so they could send out paperwork. Also, seeing as ENIG did not appeal its notice of assessment on the property in a timely manner, Meyer felt ENIG was at a legal dead end.

Attorney Taylor Nederhoff stated he was confident former assessor Don Knoell received email correspondence from an ENIG representative regarding the destroyed building. Nederhoff agreed to gather the emails and present them to the Board.

McClellan moved, Granzow seconded to adjourn. Motion carried.

The Board did not enter closed session, and no further action was taken.
