

AGENDA
REGULAR DRAINAGE MEETING
November 6, 2019 8:30 AM

1. Open Meeting
2. Approve Agenda
3. Approve Minutes
4. Discuss W/ Possible Action, IRUA Invoices/Correspondence
Update from Smith on potential minimum assessment. Matt Mahler has responded to email requesting a new check and said they will send a new check out.
5. Discuss W Possible Action - Open Ditch Brush Control
Update with information from B&W Control Spraying on 2016 bid work. Review Open Ditch Spraying Bid / local contractor preference language.
6. DD 128 - WO #127 Landowner Concerns
DD 128 - WO # 127 Dean Bright stopped in to report an area that been previously repaired is now leaking again in parcel # 8822340005, in the west section of the NE corner. Handsaker is currently working on the section to the east on parcel #882024300003 on main line and now the tile where seepage is occurring was repaired a year ago, and water is seeping into an area 20' wide by 100 yards long.
