

# Campground Rules & Regulations

- 14-day camping limit, except for approved monthly camping applicants.
- Sites are first come, first serve. No reserve sites.
- Only one camper per receptacle.
- Most electrical boxes are set up for one receptacle (30-amp or 50-amp) and a GFI 110-amp receptacle. Only one (30-amp or 50-amp) hook-up per electrical box. No adapters or extension cords are allowed. The RV cord should be checked to be sure that it is in good working order. Anyone hooking up to an electrical box in a manor other than stated above, resulting in damage to county property, will be charged for the repairs.
- Tents – Will be charged individually, no group rates. No more than three tents on a site. Tents using electricity will be charged the amp rate. One tent will be allowed free of charge with a RV if occupants are 16 years old or younger.
- Campsites are to be kept clean and neat.
- Doormats on grass should be taken up after 4 days.
- Use provided dumpsters to discard trash. Please do not burn garbage or cans in fire rings.
- Dogs must be kept on leash, with no exceptions.
- All campers shall maintain quiet and avoid excessive noise in the campgrounds between the hours of 10:30 pm – 6 am.
- Possession of beer restricted per Hardin County Conservation Park Regulations will be enforced.
- No keg beer.
- No extension cords.
- No illegal fireworks.
- All other Park Regulations adopted by the Hardin County Conservation Board may be strictly enforced if necessary.
